

## Accutrol

[www.accutrollc.com](http://www.accutrollc.com)

- Electronic airflow control valves (AccuValves) for critical environments with optional airflow tracking and room temperature controls
- Fume hood controls
- VorTek digital airflow measurement for fan inlets, fan arrays & ducts (vortex shedding)
- IAQ-Tek outdoor airflow measurement system
- Iso-Tek room pressure monitors
- Bladder type pneumatic airflow control valves (Pneumavalves)

## Antrum

[www.antrum.com](http://www.antrum.com)

- Centralized indoor air quality monitoring solution

## AWV (American Warming & Ventilating)

[www.awv.com](http://www.awv.com)

- Custom louvers and dampers
- Tunnel ventilation dampers

## Buffalo Air Handling

[www.buffaloair.com](http://www.buffaloair.com)

- Custom AHUs & HRUs
- Made in Virginia

## Clarage

[www.clarage.com](http://www.clarage.com)

- Tunnel ventilation fans (centrifugal, 100% reversible axial fans & jet fans)
- Industrial and mechanical draft fans (centrifugal and axial)

## Coils

- Cooling, heating, and heat recovery coils by leading manufacturers

## Envirco

[www.envirco-hvac.com](http://www.envirco-hvac.com)

- MAC 10 Series Fan Filter Units (FFU)
- Hospi-Gard IsoClean self-contained, in-room, HEPA filtration units with optional UV light

## Filtration Group - Indoor Air Quality (IAQ)

[www.filtrationgroupiaq.com](http://www.filtrationgroupiaq.com)

- Bag-In/Bag-Out (BIBO) containment filtration housings/systems
- Bubble-tight isolation dampers
- MERV, HEPA & HEGA filters, frames, and housings
- Ultra-low pressure drop filters
- Cleanroom filtration equipment

## GoFog Inc.

[www.gofoginc.com](http://www.gofoginc.com)

- Atomizing humidification and evaporative cooling systems utilizing high pressure pump units & fog nozzles (no compressed air)
- Optional water treatment systems

## Ingenia

[www.ingeniatechnologies.com](http://www.ingeniatechnologies.com)

- Custom and semi-custom AHUs & HRUs
- State-of-the-art knockdown construction for site-built projects
- Field assembly services available

## Konvekta

[www.konvekta.ch](http://www.konvekta.ch)

- High-performance energy recovery system
- Guaranteed performance / energy savings
- Remote performance monitoring

## Miller-Picking

[www.miller-picking.com](http://www.miller-picking.com)

- Custom AHUs & HRUs

## M.K. Plastics

[www.mkplastics.com](http://www.mkplastics.com)

- High plume dilution laboratory exhaust fans (Axijets) – FRP or coated steel
- Corrosion-resistant FRP fans, plenums, and dampers
- Perchloric acid fume hood exhaust systems

## PACE

[www.pace-airsystems.com](http://www.pace-airsystems.com)

- Semi-custom AHUs & HRUs

## TAMCO

[www.tamcodampers.com](http://www.tamcodampers.com)

- Superior-quality dampers for commercial and industrial applications

## Thermotech

[www.thermotech-usa.com](http://www.thermotech-usa.com)

- Energy recovery wheels for new installations
- Repair or replacement of existing energy recovery wheels
- Free inspections and estimates
- Turnkey retrofit service available
- Standard ten (10) year parts & labor warranty

## Twin City Fan & Blower

[www.tcf.com](http://www.tcf.com)

- Complete line of commercial and industrial fans
- Laboratory exhaust fans/systems

## Variable Frequency Drives (VFDs)

- Industrial and HVAC variable frequency drives (VFDs)

## Vibro-Acoustics

[www.vibro-acoustics.com](http://www.vibro-acoustics.com)

- HVAC silencers, industrial silencers and acoustical louvers
- Noise control and vibration isolation roof curbs
- Acoustical enclosures
- Double wall panels for plenums, enclosures, barriers, and built-up AHUs
- Free silencer application and selection services (acoustical analysis)
